MESSAGE FROM OUR COMPANY

This book is published as a reference guide to county land ownership. The enclosed data was compiled from official Public Records at your County Court House and elsewhere. Due to the continual sales and transfers of property, we cannot guarantee 100% accuracy.

While we have made our best effort to prepare an accurate publication, we cannot accept responsibility for omissions or errors. If you are aware of an error, please let our office know so that we can correct our records and continue to improve the accuracy of the ownership information.

We wish to acknowledge the assistance we received from your county officials and the excellent participation of the business people throughout the county. Their cooperation and support has made your County Plat Book possible.
